General Provisions

1. This Quote is Confidential Information and is governed by the Non-Disclosure Agreement or any other terms of confidentiality between the parties.

2. This Quote contains a price quote and is not a binding offer or order for Zayo to provide the services quoted herein. Customer must submit a signed Service Order, and Zayo, in its sole discretion, must accept such Service Order in writing to create a binding order for the services.

3. Notwithstanding the Address field of Quote, the Demarcation Point will be identified in a letter of authorization('LOA')to be sent by Zayo to Customer once the minimum point of entry ('MPOE') is established. The MPOE identified in the LOA will be the Demarcation Point. Customer, at its sole cost and expense, is responsible for (i) extending the Offering from the Demarcation Point to their premises and/or equipment within the building (the 'Inside Wiring') and (ii) maintaining and/or troubleshooting issues with the Inside Wiring.

4. Third party charges, taxes and impositions and Consumer Price Index (CPI) and other adjustments are not included in this Quote unless specifically stated. Customer may be subject to such fees as agreed upon by the parties.

5. This Quote is subject to change if, it is later determined that capacity to accommodate the quoted service is unavailable.

6. Expiration Date: Pricing on this Quote expires Apr 13, 2026
